Business strategist supporting corporate strategy, executive decision-making, investor relations, & business transformation.
Translating complex business challenges into clear narratives and actionable decisions.

WORK EXPERIENCE

LIV Golf | *Strategic Presentation Design Manager, Corporate Strategy* *Aug 2025 - Present*

Supporting league strategy, executive decision-making, & investor relations

- Partnered with executive leadership to support strategy, investor relations, and organizational transformation, translating complex business issues into recommendations for Board, investor, player, and executive audiences.
- Developed and delivered 50+ executive-level strategic communications and Board materials supporting league initiatives, investor engagement, player alignment, and business transformation efforts.
- Deployed AI tools across the full presentation lifecycle, from data synthesis and insight generation through narrative construction and visual design, establishing a faster, higher-quality production standard for the business.
- Built scalable templates, workflows, and storytelling frameworks (including routine reporting templates) that improved consistency, speed, and quality of executive communications through consistent, metrics-driven insights.
- Conduct strategic and operational analyses for senior leadership, evaluating challenges, competitive landscape, and priorities to inform league recommendations that directly influenced the competitive model.
- Collaborated across strategy, operations, communications, and leadership teams to align stakeholders around key initiatives during a period of significant league growth, public scrutiny, and organizational evolution.

Deloitte Consulting | *Consultant* *Jun 2021 - Jul 2021 (Intern), Aug 2022 - Aug 2025*

- Created executive-facing deliverables (30+ within 4 months) for C-Suite leaders at global consumer brands, translating customer sentiment and emerging market signals into brand strategy, growth, and investment insights.
- With our in-house agency, designed and executed brand positioning and digital initiatives for clients, leveraging social listening solutions to track client sentiment, identify trends, and surface key insights.
- Acted as PMO Lead for multiple teams, coordinating cross-functional workstreams, seamlessly onboarding new team members, and working with client leaders to ensure timely access to resources.
- Led 3-6 team members in executing data-driven audience engagement strategies to 1200+ practitioners, driving involvement in hybrid networking events/townhalls and collaboration initiatives across various workstreams.
- Co-developed foundational operational documentation that streamlined processes and enhanced efficiencies, leading to its successful adoption and replication across multiple scopes, securing $1.3M in follow-on business.

Deloitte Greenhouse (Executive Strategy Facilitation Program) | *Fellow* *Sep 2023 - Sep 2024*

- Led end-to-end development - from stakeholder discovery through agenda design and day-of facilitation - of executive workshops, guiding VP-, C-, and Board-level audiences through structured problem-solving, strategic alignment, and decision making.
- Collaborated with senior stakeholders and cross-functional teams to craft narratives for 10+ sessions, delivering bespoke content to 140+ C-Suite and executive leaders that drove alignment and action across diverse industries.

Virginia Tech Athletics | *Marketing Intern; Strategic Communications Intern* *Aug 2019 - May 2022*

- Supported marketing, strategic communications, and gameday operations - driving fan engagement initiatives, ticket sales, athlete data analytics, and seamless event execution for a Division I program with 20,000+ seat venues.
